Even if it be assumed that the testimony of the Hindu witnesses referred to by the Sub-Office is discredited to weight, the Village being split into factions, there is no tangible reason for discrediting the statements of the Mahomedans that Sufi, wife of Meluk Krishna was being kept by a Mahomedan further in a letter presented on 12 August 1919, which he now repudiates. Krishna has said that his wife became an outcaste 18 years ago and that she was keeping first one ~~Wahab~~ ^{door} ~~Wahab~~ ^{home} Lacha and subsequently a Mahomedan named Syd Sab.

Krishna is unfit for work on account of old age and his two sons given birth to by his wife seem to be of Mahomedan parentage. The temple may therefore be taken under his management and a competent person appointed to see that his sons & their sons & a claim is

To

His Most Gracious Highness

& Our Beloved Sovereign,

The Maharaja of Mysore

May it please Your gracious Highness,

We, the residents of Hosahalli and adjoining villages, of Belagola Hobli, Seringapatam Taluq, do most humbly beg to bring the following facts to your kind notice.

I. There is a temple of Narayanaswamy in our village, of great antiquity, and having a large number of devotees. The daily worship in that temple was being conducted by the husband of one Timmamma - since deceased - who belonged to the Satai or Oshtama caste. After her husband's death, Timmamma who had no issue and who is the Khatedar of the Devadaya lands, was getting the worship conducted by one Krishnia, a mendicant by profession and who has since been living with her.

II. Krishnaiah married one Singi about twenty years ago. The said Singi gave up her husband about fifteen years ago and was living in concubinage first with a Gangadikar by name Chick Monne Gowda against whom she filed a suit for maintenance. She then entered Muslim fold, and married a Mahammedan by name Karisi Sab, to whom she bore a son named Din Dar and two daughters.

III. Timmamma died ten years ago. Krishnia was taking the produce of the lands attached to the temple. Owing to the construction of the low Level Channel, seven acres of the said Devadaya lands were converted into wet lands, about a year and half ago.

IV. Krishnia leased the lands to one Muddalinge Gowda for five years, and the latter took possession of the same. One

19

V. Krishnia leased the lands to one Muddalinge Gowda for five years, and the latter took possession of the same. One Kari Honne Gowda in collusion with the pater of the village, now got a lease-deed executed in his favour permanently by the out caste Singi and took forcible possession of the said lands. Not only this, but to the horror and disgust of all, a compromise has been effected between Krishnia who has become old and blind and his erst-while outcaste wife, Singi, and the temple services are being now conducted by Singi's son who is of Mahammedan origin.

VI. Although a Memorial has been sent to the Deputy Commissioner about this, no action has been yet taken in the matter.

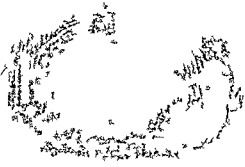

We therefore pray that Your Highness - the Protector of Sanatana Dharma - will cause inquiries to be instituted in respect of the above facts and put a stop to such a scandalous state of affairs, by the appointment of a Brahmin priest, whom the villagers nominate.

We shall produce over whelming documentary and oral evidence in support of the above allegations.

Reference:- Deputy Commissioner's Official Memorandum No. R on
Petition No. 174 of 1919-20 dated 17th March 1920.

"Submitted to the Deputy Commissioner, Mysore District.

The villagers of Hosahalli, Belagola Hobli presented a petition to the Deputy Commissioner on 18th June 1919 stating "That owing to the conversion of 16 acres 7 guntas of dry inam lands endowed to Sri Narayanaswamy temple, half the extent has been surrendered to Government and the other half remains in the name of the temple"

"that the Vahivatdar Pujari Krishnayya has leased out the temple lands to one Muddalinge Gowda for a period of 5 years on condition of his giving an annual gutta of two candies per acre for the first three years, 3 for the 4th year and four for the 5th year, Singi the out-cast wife of Krishnayya has also leased the same lands by the instigation of one of the parties to Doddahonne Gowda, her keeper, for Khayamgutta of 20 candies per annum and ~~th~~ has thereby caused obstruction to Muddalinge Gowda the lessee of Pujari Krishnayya"

"that under the circumstances stated above the temple lands are likely to lie fallow, on account of the party-strife, and consequently the worship stopped".

They also requested that needful enquiry may be conducted and necessary arrangements made for the regular conduct of service in the temple.

In the meanwhile, the Deputy Amildar of Mysore Taluk in whose jurisdiction the village lies issued notices both to Muddalinge Gowda and Doddahonne Gowda not to enter upon temple lands pending enquiry into the matter, and submitted a report to the Special Land Acquisition Officer, stating that the temple is in a very dilapidated condition, and worship is likely to suffer on account of the misunderstanding between ^{the} ~~an~~ Orchak and

28

and his wife, and recommended that the institution may be taken under Government management and the lands leased out, necessary provision being made for its repairs out of the income of these lands.

This was submitted by the ^{Special} Land Acquisition Officer to the Deputy Commissioner, who forwarded the same to the Sub Division Officer, French Rocks, for disposal. The Sub Division Officer forwarded the records to the Amildar of the Perinapatam Taluk for report as to what action was called for in the matter.

Archak Krishnayya, has himself presented an application to the Deputy Commissioner on 12th August 1919, stating " that he is in enjoyment of temple lands, and has leased out the same to one Muddalinge Gowda, for a period of 5 years, having spent a large amount for bringing it under wet cultivation".

"that his wife became an out-cast about 18 years ago and had Doddahonne Gowda as her keeper, and subsequently a muslim named one Syed Sab by name, by the latter of whom she has got 3 children"

"that she has been now instigated by the above said Doddahonne Gowda and another Rangayya with the promise of conferring on her the right of worship and enjoyment of temple lands".

This petition along with another anonymous one to the same effect adding that Singi though an out-cast is incited to enter the temple and thereby defile the sacred place of worship, were both forwarded to the Amildar for enquiry and report.

The Amildar after taking down the statements of Rangayya, Poojari Krishnayya and Patel Thimme Gowda has submitted a report stating that out of the irrigable extent of 6 acres 9 auntas only 5 acres are under cultivation and the rest of the extent requires not less than 2 to 3 hundred rupees to bring it under cultivation, that Poojari Krishnayya has been conducting the worship for the

last 25 years, that the version of the villagers that his wife is

29

is an out-cast is due to party feelings. He further proposes that the temple lands instead of being resumed and leased out by Government at present, may, till the whole extent is brought under cultivation be left in the enjoyment of the present archak.

The Amildar's report and the petition presented by archak Krishnayya are both contradictory and the records will be forwarded to the Amildar for further enquiry in the light of the above discrepancies, after they are returned.

Sir,

In continuation of my letter No.R.Pet.No.174 of 19-20-Muz. dated the 9th April 1920, promising a further report on the petition of Rache Gowda and others of Hosahalli of Belagola Hobli, Seringapatam Taluk, re the conduct of worship in the Sri Narayanaswami Temple at the place by one Singi's son, I have the honor to state that the Sub Division Officer French Rocks, reports that on enquiry it was found out that Singi, wife of Archak Krishnayya, lived with a Muslim and bore him 5 children; that, as Krishnayya is incompetent on account of old age, it is necessary that the temple should be taken under the management of Government and that a suitable pujari appointed and necessary repairs to the temple carried out. He further states that if Singi establishes in a court of law that the allegations made against her are false, her major son's claim for the pujari hak may be considered. I agree with the views of the Sub Division Officer in the matter.

The vernacular papers ending with the French Rocks Sub Division Officer's Memo No.R.H.C.81 of 19-20-Muz. dated 17th May 1920, are herewith submitted for reference.
